

Fresher. Easier. Smarter.

The Food Safety Network Website... even better than before

REMEMBER!
CTRL F5
to refresh your browser

Our goal has been to make our website easier to use, and our information simpler to locate. You will still find all the useful information and advice that you have come to expect from us - plus more!

We have restructured our site in such a way as to highlight our five core focus areas, as well as our annual food safety Symposium.

VISIT US NOW! ▶

It's food safety made simpler

LOOK OUT FOR...

Our Directory of advertisers to the food industry is now in a searchable online format, to facilitate the connection between service providers and users.

Our new blog will provide interesting news and views from and about the food industry

New, easier subscription to our news & updates

Dedicated focus on consumer issues/information

Out & About section will keep you updated with industry events we are involved with

Customer testimonials & quick access to leave your comments and feedback

WHAT'S STILL HERE, JUST BETTER

Quicker access to training course information and online registration.

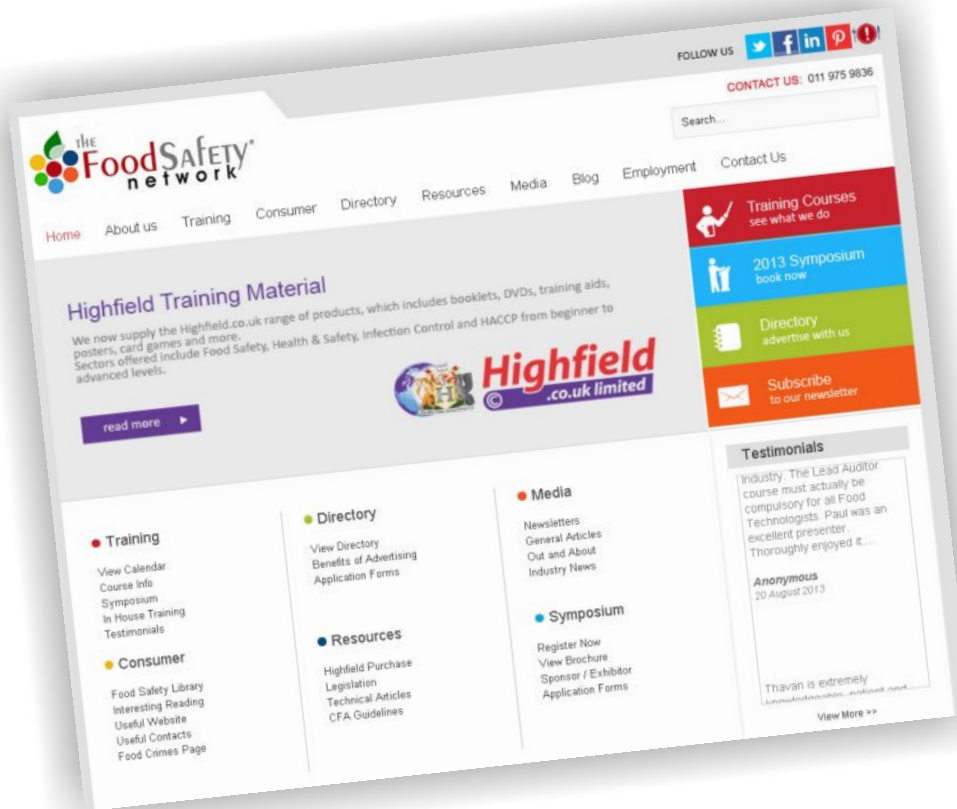

Our wealth of useful articles are still available:

- Technical articles now under Resources
- Consumer articles under Consumer
- General Articles under Media

Ever popular overview of the structure of legislation relating to the food industry

Our employment section is easier to use and has greater visibility now. Opportunities for job seekers AND employers alike.

All of the info that you expect, just easier to access!
